

REMARKS/ARGUMENTS

Applicants have amended the specification herein to correct a typographical error in the citation of *U.S. Pat. No. 2,632,692* in the first paragraph on page 3 of the specification. This reference was cited in Applicant's March 10, 2009 Second Supplemental Information Disclosure Statement and has already been made of record in this application. No new matter has been added.

In addition, in response to the Interview Summary dated July 28, 2011, Applicant submits that the Interview Summary is a correct reflection of the substance of what was discussed during the telephone interview with Examiner Bradley Etherton and Applicant's attorney on July 28, 2011 in connection with the above-referenced patent application.

Applicants respectfully request that this Amendment under  
37 C.F.R. 1.312 be entered.

Respectfully submitted,
